MARINE CORPS AIR STATION YUMA
BOX 99100
YUMA, ARIZONA 85369-9100

StaO 5355.1A

SJA

22 JUL 2011

STATION ORDER 5355.1A

From: Commanding Officer
To: Distribution List

Subj: PROHIBITED SUBSTANCES

Ref: (a) 21 U.S.C. § 812 (Controlled Substances Act)
(b) SECNAVINST 5300.28E
(c) Uniform Code of Military Justice
(d) SECNAVINST 1920.6C
(e) MCO P1900.16F

Encl: (1) Prohibited Substances and Their Common Street-Names

1. Situation. Substance abuse is a problem at Marine Corps Air Station (MCAS) Yuma. Substances which are not controlled by the United States or prohibited by reference (a) directly compromise safety, welfare, security, and good order and discipline. Specific attention should be focused on the use of Bath Salts, Spice, and Salvia Divinorum (Salvia).

2. Cancellation. StaO 5355.1.

3. Mission. To prohibit the possession, sale, use, or distribution of substances, which are intended to produce a psychotropic "high" when ingested or smoked. The common "street-names" associated with these substances are listed in the enclosure.

4. Execution

a. Commander's Intent

(1) Ensure compliance with reference (b) and to ensure the health, fitness and ability to conduct the mission and protect the morale and welfare of all our service members.

(2) Violations of this order may result in punitive or adverse administrative action under references (c), (d), or (e).

(3) This order is not intended to limit subordinate commanders' ability to prohibit the possession, sale, use, or distribution of additional substances as appropriate.

b. Concept of Operations. The actual or attempted possession, use, sale, distribution, or manufacture of Bath Salts, Spice, Salvia, or any derivative, analogue, or variant of either substance is prohibited.

5. Administration and Logistics

a. This order will be periodically updated upon notification to this command of any other naturally or artificially created substance if that substance has been created, produced, or processed with the sole intent of generating a psychotropic "high" when ingested or smoked.

b. Directives issued by this command are distributed electronically via the MCAS Yuma web page at:
<https://intranet.mciwest.usmc.mil/yuma/default.aspx>.

6. Command and Signal

a. Command. This order is applicable to all service members stationed aboard, or deployed to MCAS Yuma. Additionally, this order applies to all Federal employees, contractors, dependents, and all others while aboard the station.

b. Signal. This Order is effective the date signed.

ROBERT C. KUCKUK

Distribution: A

Prohibited Substances and Their Common Street Names

1. **Spice.** May contain controlled substances under reference (a). It is a mixture of medicinal herbs laced with synthetic cannabinoids or mimicking compounds known to cause decreased motor function, loss of concentration, and impairment of short-term memory. Spice may also be known as:
